Send Me These:

- Programming Experience
- A project you have worked on
- What you can do for our team non-code wise (Presentation, Social media, Team Manager/Secretary, Documentation)

I Need To Know These:

- What are the rules and how to not break it
- What is each person's greatest strength & how can they contribute best to our project

We Need These Physical Things:

- A computer or device for everyone
- A detailed schedule for the actual day of
- A good startup plan, marketing, presentation, along with the code

We Need These:

- We need a VISION
- We need MARKETING
- We need a DEMO not a fully function app
- We need an idea that KILLS a BIG problem
- We need to make a FUNNY and ENGAGING presentation
- We need to work TOGETHER
- We need to have FUN
